Student Services Survey

All UCSF students are invited to respond to the biannual Student Services Survey. The Survey measures student satisfaction with services under the Campus Life Services, Office of Diversity and Outreach, and Student Academic Affairs umbrellas.

Student Life, which administers the Survey, called for students to respond to the 2022 Survey from January 19 through February 15. In all, **928** – about 29% – of UCSF's 3,178 enrolled students participated.

Students from all schools and programs are represented in the survey results.
